Remote News Service

Clients User Manual

Logging in to your client page:	
Downloading your audio files:	3
Google Chrome Browser:	3
Safari Browser:	4
Mozilla Firefox Browser:	5
Opera Browser:	6
Microsoft Edge Browser:	7
Internet Explorer Browser:	8

Logging in to your client page:

When you receive your Remote News Service order you will be provided with a custom URL link and a password.

Step 1: Open the custom link in your browser and enter the password you have received. Click on Enter.

Step 2: Once you are logged in you will see your anchor's name and contact information and you will be able to review and download your audio files.

Downloading your audio files:

Google Chrome Browser:

To download your audio files click on the "three dots" icon on the right side of the audio track and click on "download".
